Department of computer science works hard to make the students to bring out with flying colours in their life.

## About the Symposium

Dear Sir/Madam/Students

I am glad to inform you that Department of Computer Science is going to organize one day Intercollegiate Technical Level Symposium at St. Jerome's College on 12 September 2018. The main objective of this technical level symposium is to bring all the students of Computer Science/Applications and other computer related subjects together to expose their hidden talents out. Sharing or showing the talents at the symposium will bring good impact to students and similarly, this could be a foundation for the other students to develop their talents. I request all the students to make use of this opportunity to expose your talents at St. Jerome's College, Nagercoil. See you all on 12 September 2018 and wish you all the best.

Dr. M. Milton Joe  
The Convener,

Department of Computer Science, St. Jerome's College.
